WorkCentre® 7132

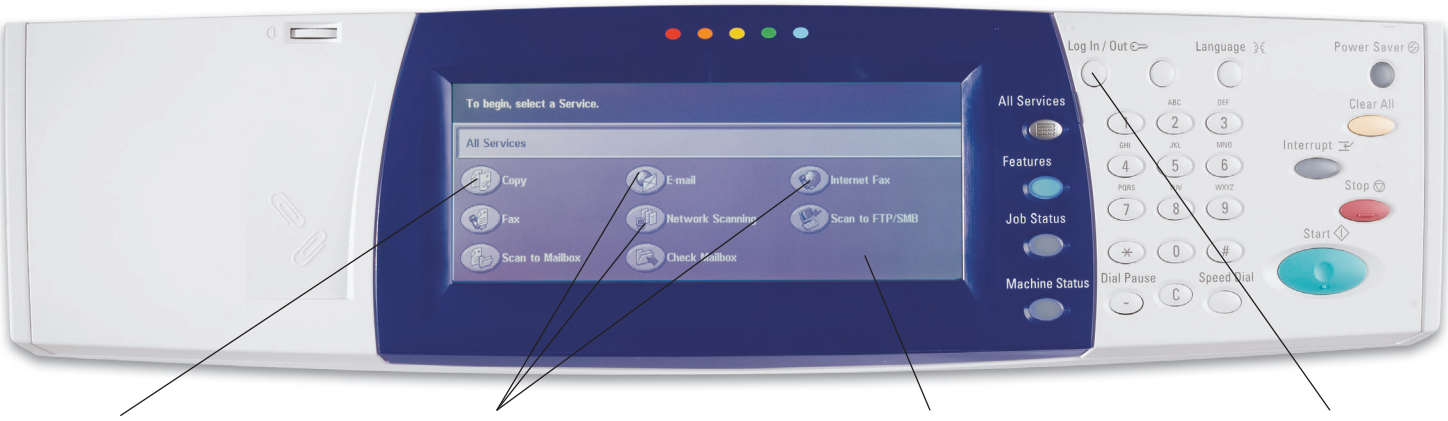
The Xerox WorkCentre 7132 multifunction is the affordable transition to the next level of productivity for your office. One easy-to-use device offers powerful printing, copying, scanning, and faxing. The WorkCentre 7132 also gives you color when you need it, for critical documents and for added impact. Robust functions, straightforward operation, and color within your budget – that should keep everyone smiling and productive.

Hero of your office

The WorkCentre 7132 multifunction gives you all the down-to-earth functions you need to keep your business busy – printer, copier, scanner, fax – with a new feature: color. Big color. All the way up to 11 x 17 in.

- Print and copy black-and-white at a productive 32 ppm. Color prints at a steady 8 ppm.
- Configure it your way. Print and copy are standard. Add scan, email, fax, finishing and other options to suit your needs.
- True 1200 x 600 dpi resolution in black-and-white and in color for maximum impact.
- Plenty of power to perform multiple tasks simultaneously.
- Work with an array of media, including heavyweight and specialty papers.
- Easily programmable Job Flow Sheets can automatically route documents to multiple electronic destinations, making information immediately available to others.
- Scan hard copy documents directly to your document management system for online storage and easy access.

Get all the features your busy office needs to stay productive.



Add color to print, copy and scanning functions. Quickly view the status of any job.

Convenient access to advanced functions such as network scanning, fax and email.

Customize the screens with the features you use most, such as scan to email or copy.

Easy to use security and color cost accounting.

Grace under pressure

When the clock's ticking, you want to concentrate on the project at hand – not on figuring out how to operate the device. The WorkCentre 7132 is easy to use, easy to configure, and easy to maintain.

- Intuitive user interface gets you started right away. You can even choose what functions to display.
- Powerful management tools provide everything you need to easily manage and monitor the device from your desktop.
- State-of-the-art SMart Kit™ technology keeps downtime down by warning you ahead of time of any potential problems with the device.
- Dependable paper handling. Smart paper trays automatically sense the paper size when you add paper.
- Three standard output trays allow print, copy and fax jobs to be separated for easy retrieval.
- Worried about your data? The WorkCentre 7132 has plenty of standard security features to keep your confidential data safe no matter which function you're using: print, copy, fax or scan.

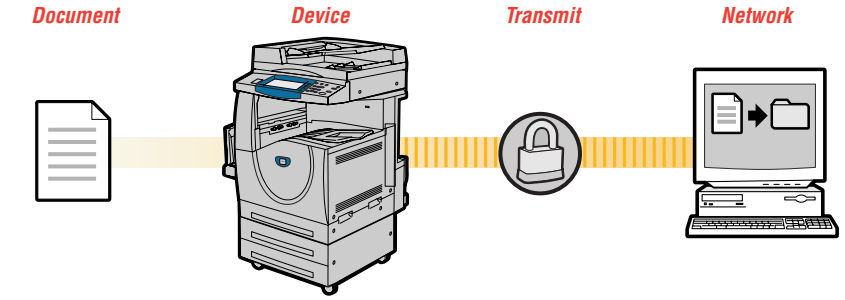
Two finishing options

Compact Integrated Office Finisher staples sets up to 50 sheets in a single corner position.

Robust Office Finisher staples sets up to 50 sheets in 3 selectable positions.

Security at all points

Xerox is committed to helping you meet your security needs. Our system, software and solutions are designed with features that allow you to select the level of security that is right for your office.



- *Business Critical*
- *Confidential*
- *Personal*

- *Disk Overwrite*
- *Device Access Password Protection*
- *Encrypted Disk Drive*
- *Analog Fax and Network Isolation*
- *Secure Print*

- *Encrypted Scan to Email*
- *Password Protected PDF*
- *Secure Fax*

- *Network Authentication (LDAP)*
- *IP Address Filtering*
- *Port Blocking*
- *Domain Filtering*

Your budget will love it

The WorkCentre 7132 boasts a hard-to-beat price for this feature set. You get all the advantages of a tried-and-true black-and-white multifunction, plus hard-working color.

- Make the move to high quality color with breakthrough Xerox EA-HG toner technology and crisp 1200 dpi, while still enjoying a low cost per page.
- Includes value-packed options like scan to color PDF which allows you to immediately distribute documents via email instead of using expensive (and slow) courier services. Or store scans in a mailbox for future processing.
- Cost saving features like automatic two-sided printing and copying are standard.
- The majority of your daily printing is low-cost black-and-white. You only pay for color when you use it.
- Built-in Auditron lets you control and track your workgroup's use of color. You can allocate user access to color and generate usage reports.

Powerful cost management solutions

- Access to color options can be password-protected or granted to specific users or groups – you're in control of who uses it. Access to the entire device or specific functions can be limited by password or PIN.
- Color usage can be controlled from driver level selections and defaults.
- The internal Auditron controls and tracks usage of print, copy, scan and fax features.
- Usage reports can be printed at the device or downloaded over the network.
- Open architecture design allows for easy integration with optional cost accounting solutions from Xerox Business Partners.

Device Management
CentreWare Internet Services, CentreWare Web, CentreWare DP, NDPS and HP Openview

Media Handling
Paper Weight
Bypass Tray, Tray 1, 2, 3: 16 lb. bond – 110 lb. index / 60 gsm – 216 gsm
Maximum Duplex: 105 gsm color, 169 gsm black-and-white
Media Types: Paper, envelopes, labels, transparencies

Operating Environment
Temperature
Maximum Range: 50° – 95°F/10° – 35°C
Recommended Range: 60.8° – 86°F/ 16° – 30°C
Humidity
Maximum Range: 15 – 85%
Recommended Range: 30 – 70%

Electrical
Power: 110-127 VAC, 50/60 Hz or 220-240 VAC, 50/60 Hz
Power Consumption:
Average: 528 watts
Power Saver Mode: 6 watts, ENERGY STAR® Compliant

Physical Dimensions (WxDxH)
Without Finisher: 25.2 x 25.5 x 43.8 in. / 640 x 654 x 1112 mm (with bypass tray closed)
With Finisher: 60.5 x 26.3 x 43.8 in. / 1537 x 668 x 1112 mm (with bypass tray open)

Supplies
Approximate Yields
Toner – Black: 21,000 images*
Color: 8,000 images*
Drum Cartridge – 80,000 images*
*Capacities are approximate, based on 5% coverage on a letter/A4-sized page and dependent on customer job mode run length

Agency Approvals
UL 60950-1 2003
CE Nemko EN60950-1:2001
