Xerox® WorkCentre® 5150 Multifunction Printer
Environmental benefits plus true bottom-line savings.

xerox ®

WorkCentre® 5150

Environmentally focused manufacturing, advanced capabilities, and worry-free security — for one great price.

Ultimate performance

Maximize office productivity with the highest level of performance and advanced functionality.

- **Truly faster printing.** The advanced controller delivers the fastest effective network print speed in the industry. When printing everyday business documents, Xerox® WorkCentre 5150 multifunction printers print faster than the competitions' higher-speed-rated devices.

- **Experience true multitasking.** Multiple users can complete different tasks simultaneously – scan, print, fax and manage the queue.

- **No printing bottlenecks.** The Xerox-exclusive Print Around feature holds a job needing resources (such as a different paper size) and prints the next job in the queue. Plus, you can manage the job queue at the device by promoting or deleting jobs accordingly.

- **Smaller network-friendly files.** Scan compression technologies provide significantly faster transmission speeds while reducing network load and storage space on network and mail servers.

Select a job to get details or to perform operation

Print Around feature keeps jobs moving.

Minimizing environmental impact

We view sustainability not as a cost of doing business, but as a way of doing business. The WorkCentre 5150 helps you manage and reduce costs while supporting your workplace environmental goals.

- **Built to be sustainable.** As a Factory Produced New Model, WorkCentre 5150 multifunction printers contain on average 60% new, reprocessed and/or recovered parts by weight. Those parts meet all our new-product specifications, and the parts used in just one WorkCentre 5150 can save enough energy to power a North American household for a year.

- **Environmental advantages plus cost savings.** In addition to its environmental benefits, the WorkCentre 5150 also costs substantially less. And you're assured that the parts meet as-new performance and reliability specifications for the life of the product.

- **Upgrade for energy efficiency.** WorkCentre 5150 multifunction printers deliver more savings by cutting energy consumption during use compared to older models. They meet the latest ENERGY STAR® qualifications, and reduce energy by combining the functions of multiple products into one.

Advanced capabilities

Get more ways to print, organize, store and share your information than ever before.

- **Advanced copy and print features.** Annotation, Bates Stamping, ID Card Copy, tab print capability and page-level programming give your office more document options.

- **Cutting-edge scanning functionality.** Increase efficiency with Scan to Email for quick document distribution to multiple email addresses, Scan to Mailbox to store on the device and Scan to Home to send to a network folder.

- **Scan format flexibility.** Scan to searchable PDF or XPS formats for universal compatibility and easy archiving, organizing, searching and sharing.

- **Convert documents into text files.** Scan to PC Desktop® software option offers editing and document conversion tools, including batch creation of secure PDFs from all PC applications.

- **Store frequently printed documents.** The Capture/Print, Save & Reprint feature lets you store scanned documents directly on the device for reprint later.

- **Extend your possibilities.** Transform the way you get vital work done with the power of Xerox® Workflow Solutions, built on the Xerox® Extensible Interface Platform (EIP). Learn more by visiting **xerox.com/ software-solutions**.

Factory Produced New Model Equipment benefits you and the environment.
Research by IDC[1] concluded that our unique Factory Produced New Model manufacturing process "…offers environmental and social responsibility benefits without hindering the WorkCentre 5150 device's overall performance."

As a Xerox Factory Produced New Model, the WorkCentre 5150 is backed by the Xerox Total Satisfaction Guarantee, giving you total peace of mind.

WorkCentre® 5150 Quick Facts

- Print and copy up to 55 ppm
- Powerful scan and fax solutions available
- Paper capacity: 4,700 sheets

Print / Copy / Scan / Fax

11 x 17 in.

55 ppm

WxDxH: (Copier with OCT)
38 x 26 x 45 in.
955 x 650 x 1140 mm

1
Duplex Automatic Document Handler (DADH) automatically scans documents as fast as 60 spm.

2
100-sheet Bypass Tray handles heavy paper up to 80 lb. cover.

3
Two 500-sheet Universal-Size Trays hold paper sizes up to 11 x 17 in.

4
Optional Envelope Kit provides feeding of 50 envelopes.

5
High-Capacity Tandem Tray holds a total of 3,600 sheets of letter-size paper.

6
Optional Finisher provides staple and hole punch capabilities.

WorkCentre® 5150 Configurations

WorkCentre 5150
- Up to 55 ppm copier

Options
- 256 MB RAM upgrade (copier only)
- Printer enablement
- Fax enablement
- Network Scanning Upgrade
- Office Finisher
- Hole punch (for Office Finisher)
- Foreign Device Interface

Environmentally sensible

Last year alone, Xerox diverted nearly 106 million Pounds of waste from landfills, bringing the total to more than 2.2 billion pounds since 1991. That's Just one way we're demonstrating our commitment to sustainability. For more regarding environmental sustainability at Xerox, visit **xerox.com/sustainabilitystory.**

Worry-free security

Ensure the confidentiality of your critical information with the latest in security and authentication features.

- IPv6 support includes full enablement of the new IPsec standard.

- Secure Print prevents unauthorized viewers from seeing documents by holding jobs in the print queue until the user is authenticated.

- Image Overwrite security feature clears or "overwrites" all trace of any document image data remaining on the hard drive after a print, copy, scan or fax job.

- Hard disk encryption ensures that unauthorized users can't access stored documents.

- An internal firewall provides an additional measure of security, providing IP filtering, domain filtering and port blocking.

- Submitted for full System Common Criteria (ISO 15408) Certification. This certification ensures that the entire device, not just individual components, conforms to the most stringent security standards and regulations.

- Support for the Smart Card technology used by the U.S. Department of Defense for its Common Access Card (CAC)* system, which protects against unauthorized access.

* Available in the U.S. in certain configurations

WorkCentre® 5150

		Copier	Copier / Printer
Speed		Up to 55 ppm	
Duty Cycle		Up to 200,000 pages / month	
Device Memory		128 MB std / 512 MB max	384 MB std / 512 MB max
Paper Handling Paper input	Standard	**Duplex Automatic Document Handler (DADH):** 75 sheets	
		Bypass Tray: 100 sheets; Custom sizes: 4.25 x 5.5 to 11 x 17 in. / A6 to A3; 16-58 lb. bond / 60-216 gsm	
		Trays 1-2: 500 sheets each; Custom sizes: 5.5 x 8.5 to 11 x 17 in. / A5 to A3; 16-53 lb. bond / 60-200 gsm	
		High Capacity Tandem Tray: 3,600-sheet total (1,600 and 2,000 sheets); Size 8.5 x 11 in. / A4	
	Optional	**Envelope Tray Kit**: 50 envelopes; Custom sizes: 7.5 x 5.4 to 10.9 x 10.24 in. / 190 x 138 to 277 x 260 mm	
Finishing options		**Offset Catch Tray**: 300 sheets	
		Office Finisher: 2,000 + 250-sheet trays, 50-sheet multiposition stapling, optional hole punch	
		Convenience Stapler: 50-sheet stapling	
Copy First-page-out-time		As fast as 3.4 seconds	
Resolution (max)		600 x 600 x 8 dpi input, 4800 x 600 dpi interpolated output	
Copy features		Automatic 2-sided, Collation, Auto reduction / enlargement, Auto paper select, Auto tray switching, Image quality enhancement, Transparencies, Booklet creation, Multi-up, Invert image, Covers, ID Card Copy, Annotation and Bates Stamping, Build Job, Inserts and tab copying, Sample set, Job storage and reprint*	
Print Resolution (max)		Optional Upgrade Kit	Up to 1200 x 1200 dpi
Processor			1.4 GHz AMD Athlon dedicated / 80 GB Hard Drive shared
Connectivity			Ethernet 10/100Base-T, IEEE802.5 (Token Ring) [via adapter], Wireless Ethernet (IEEE802.11a/b/g) [via third party adapter], USB print
Page description languages			PCL® 6, PCL® 5e emulation, PostScript® 3™ emulation, LCDS, SCS, XES and IPDS via third party transforms, and direct print TIFF, PDF, A/400 support via WorkStation Customization Objects
Print features			Delay-, Sample-, Secure-, and Store-Print; Simultaneous rip, receive, program-ahead, queue-process and transmit; Bidirectional print drivers; Exception page programming; Tab printing; Embedded Web Server for remote control/monitor/setup; Job monitoring at device and at desktop
Fax		Optional: Walkup Fax (33.6 Kbps, one-line [256 MB]) with JBIG compression	Optional: Walkup Fax (33.6 Kbps, one-line [256 MB]) with JBIG compression and LAN Fax
Scan		Optional Network Printer Controller Upgrade Kit, Scan Upgrade Kit	Network Scanning Upgrade Kit (includes Scanning Kit, Internet Fax, Network Server Fax Enablement) plus optional Scan to PC Desktop® and optional SMARTsend®
Security		Secure Fax	Secure Fax, Secure Print, 802.1X, HTTPS (SSL), SNMP V3, IPv6, IPsec, Network Authentication, Device Access Password Protection, IP Filtering, Audit Log, Disk Encryption, Disk Image Overwrite
Accounting		Internal Auditron – Copy	Internal Auditron – Copy; Xerox® Standard Accounting – Copy, Print, Fax
			Optional: Network Accounting enablement (via 3rd Party), Foreign Device Interface
Other options		Upgrade Kit to Copier/Printer	NA
		256 MB Pre collation Memory, Work Surface, Foreign Device Interface, Xerox® Copier Assistant®, Xerox® Workflow Solutions (EIP)	Foreign Device Interface, Xerox® Copier Assistant, Fax / Scan / Accounting Partner Solutions, Xerox® Unicode International Printing, Common Access Card enablement, Xerox® Workflow Solutions (EIP)

*Not available on Copier Only model
