The next generation of
book copying...and more

WorkCentre® BookMark 40 & 55 Multifunction Copier/Printer

A robust book copier at its core, the WorkCentre BookMark 40 & 55 multifunction copier/printer is the ideal solution for libraries, universities, and other public vending environments. It features an angled side panel support that protects books' spines while copying, with solid durability and total ease-of-use...plus, optional printing, scanning and faxing capabilities combine with powerful solutions for streamlining your unique workflows.

Book copying and beyond

Perfect wherever book copying is a major requirement, the WorkCentre BookMark 40 & 55 multifunction copier/printer features a book-friendly design plus powerful workflow optimization capabilities that make your everyday processes faster and easier.

- **A beveled-edge platen** with an angled side-panel support is just the answer for copying books while protecting their spines.
- **A large paper capacity** of up to 4,800 sheets means less hands-on device management.
- **Longer-life SMart Kit™ technology** enables longer unattended operation and less downtime.
- **Strong, sturdy** and able to stand up to the everyday wear and tear of a public-access setting.
- **Unbeatable ease-of-use**, with an intuitive front panel that's ideally suited to walk-up environments with multiple users.

The power of enhanced control

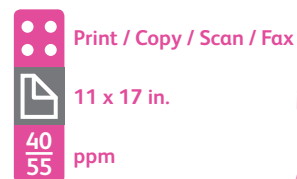

The WorkCentre BookMark 40 & 55 multifunction copier/printer provides the advanced tools you need for extra peace of mind, making it easier than ever to control costs, limit usage and maintain optimal security in high-traffic environments.

- **Secure Print** holds private print and fax jobs in the queue until they're released at the device by the job owner. Plus, you can limit or restrict access to device functions for enhanced security.
- **A locking system** prevents access to all paper trays and helps you protect your paper investments.

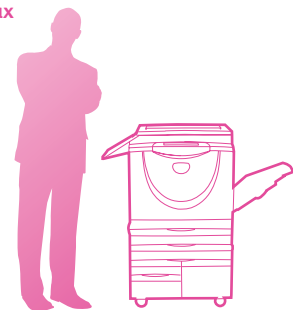

- **Secure Access Unified ID System** (optional) adds an advanced layer of security at the device by enabling users to log-in to a Xerox MFP system with a swipe of their magnetic or proximity ID card. When combined with Follow You Print functionality, Secure Access allows private print jobs to be accessed from any Xerox printer or MFP on your network.
- **SMart eSolutions** offers hassle-free, secure administration of Xerox devices for automatic meter reads and supply replenishment.*
- **CentreWare® Web** software manages entire enterprise-wide print environments regardless of manufacturer. Keep closer tabs on your system to ensure everything runs smoothly. **CentreWare® Internet Services** software makes it easy to remotely set up, monitor and manage your device from any workstation.

WorkCentre® BookMark 40 & 55 Quick Facts

- Print and copy at up to 40 or 55 ppm
- Beveled-edge platen protects books when copying
- Huge standard paper capacity of 4,800 sheets

WxDxH:
44 x 28 x 60 in.
1,118 x 711 x 1,524 mm

Big performance with room to grow

Whether you choose robust copying or step up to a full-featured multifunction, the WorkCentre BookMark 40 & 55 offers the flexibility to fit your environment and workflow needs.

- **Advanced scan tools**, like Network Scanning, Scan to Email, Scan to Home and Scan to Mailbox, help users seamlessly distribute scanned documents to predefined locations, such as network folders, email recipients, the device's hard drive, and more.
- **Scan to PC Desktop® software (optional)** converts hard-copy documents into editable files for easy archiving, manipulating and organizing.
- **Xerox Extensible Interface Platform (EIP) technology** acts as a gateway, enabling simplified, server-based workflows that personalize the user experience through customized touch-screen displays. For example, combined with the optional SMARTsend solution, you can set up a digital repository for users to browse and print frequently requested documents.

Customizable user interface

Paper input / finishing

- 1 Beveled-edge platen with angled side panel support protects books' spines.
- 2 Two 550-sheet trays (adjustable to 11 x 17 in.)
- 3 3,600-sheet High Capacity Tandem Tray (trays 3 and 4) (8.5 x 11 in.)
- 4 Two Finisher options:
Basic Office Finisher with 30-sheet stapling (BookMark 40 only)
Office Finisher with 50-sheet stapling and optional hole punch (BookMark 40 and 55)

Vending made easy

- 5 Optional vend station provides easy, self-service, pay-per-copy transactions.

WorkCentre® BookMark 40 & 55 Configurations

40 & 55 Copier

- Advanced copy features
- Book copying / bound copying
- Automatic two-sided copying

40 & 55 Copier / Printer

Copier features plus:

- Up to 1200 interpolated dpi printing
- Ethernet, parallel, wireless connection
- 80 GB Hard drive

Options

- 256 MB memory upgrade
- Network Scanning, including Scan to Mailbox and Scan to Email (copier/printer models only)
- Walk-up fax, Internet fax*, Server fax*
- 30-sheet single-position stapling (40 only)
- 50-sheet multi-position stapling and optional hole-punch
- Vend station

* Available on network scanning enabled models only
