XEROX® WORKCENTRE® 3335/3345 MULTIFUNCTION PRINTER

Our WorkCentre 3335/3345 was awarded the Innovative Product of the Year Award by Better Buys for Business. The winners of this award represent the top manufacturers in the industry. According to Better Buys for Business, “each award recipient not only offered the greatest value and functionality but also exhibited unique features.” The real win for us is knowing our products make it easier for our customers to unleash their full business potential.

THIS IS WHAT THEY SAID ABOUT OUR WINNING PRODUCT:

According to Melissa Bunte Pardo of Better Buys for Business, the device features “A compact size that fits on a desk, standard wireless connectivity, low operating costs with a choice of three optional print cartridges.”

Better Buys for Business Innovative Product of the Year awards were announced on January 17, 2017. Read the review [here](#).
