

You don't need to call IT to print and scan like a pro

Connect, create and take total control with the **Xerox® Print and Scan Experience App**.

Let's face it – the typical scanning and printing experience isn't as effortless as it should be, so we fixed it for you.

With the rise of hybrid working, and workers splitting their time between their home and office, maximising productivity has never been more important. This means it is essential to have access to the same set of productivity tools no matter where you choose to work from.

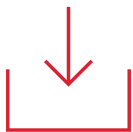

Say hello to hassle-free scanning and printing right from your desktop or laptop without the complicated setup. The Xerox® Print and Scan Experience App simplifies everything from getting connected to taking advantage of the most advanced features.

The large, colorful, and intuitive icons on the app dashboard simplify every action and option. Providing unique productivity tools to help you work more efficiently, from creating a job to adjusting brightness to managing device settings is done directly through our welcoming interface. Plus, updates happen seamlessly, so you always have the latest version.

Now that you've downloaded the app, what's next?

WORK SMARTER

EASY SET UP

Automatically discover your Xerox® Printers and install suitable print and scan drivers quickly.

DO MORE AUTOMATICALLY

Our app is pretty smart, so your scans can be automatically cropped, straightened and rotated, and blank pages can be automatically removed-saving a ton of time by fixing things yourself.

Auto Crop

Crops multiple original documents, such as receipts, into individual images.

SHRINK FILE SIZES

Perfect for files that need to be emailed.

SEARCHABLE SCANS

You can now make your scans searchable with OCR capabilities to create searchable PDFs, making it even easier to make unstructured hard copy usable.

SIGN DOCUMENTS

Our app makes it easy for you to sign, date and markup your scanned paperwork, and as a bonus you can do this by simply capturing images of your documents through your camera.

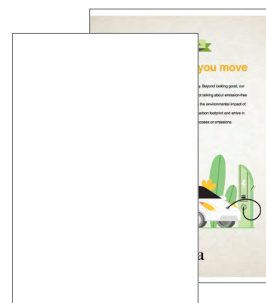

Auto Straighten

Automatically attempts to correct any slight alignment issues with scanned images.

MANAGE YOUR PRINTERS EFFICIENTLY

Stay productive by easily re-ordering your supplies and accessing real-time support services.

Auto Remove

Removes any blank pages within your scanned document.

WORK SIMPLER

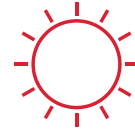

ONE-TOUCH SETTING

Enable common or complex workflows with a single button.

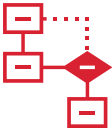

DIRECT PDF PRINTING

No longer any need to open PDFs to print, simply right-click to print.

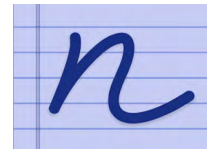

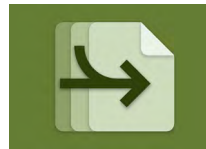

TUNED TO PERFECTION

Adjust brightness, contrast or apply color filters to fine-tune images.

MAKE YOUR DOCUMENTS DYNAMIC

Add even more features with the optional Xerox® Workflow Central Platform. Create audio docs, translate languages, redact private information, convert to other formats and change handwritten messages into text.

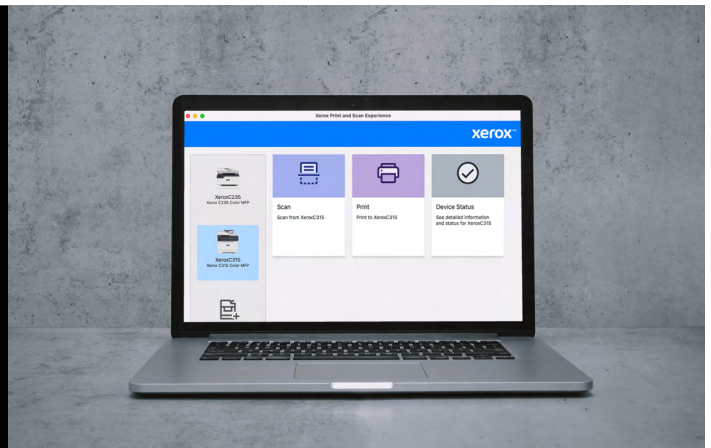

WE'VE GOT YOU COVERED MAC USERS

Xerox Print and Scan Experience App for your macOS.

A simplified version that brings the essential features and familiar user interface to your macOS device.

- Scan, print and manage printers
- Preview and adjust print jobs
- Set properties and submit for printing

Now available in the Apple App Store.

Download from the Windows Store and Apple App Store.

You don't need a master class in scanning. You just need an app that delivers smart capabilities without the complexity!
