For more information contact your local Xerox Authorized Channel Partner or visit www.xerox.com/government

¹ Important: Models listed online and in catalogs or price sheets with “Non-TAA Compliant” in their description do not comply with the requirements of the Trade Agreements Act (TAA). In some cases, a “Y” version is available that does comply with the Trade Agreements Act. If the product has a “Y” version listed, the “non-Y” version is not trade compliant. Temporary Price Reductions apply to the “Y” version and “TAA Compliant” version of the product models specified above unless otherwise noted.

² Xerox Government Channel Partners are authorized to offer Xerox End User Rebates to Federal Government Customers as instant Temporary Price Reductions (TPRs). TPRs are subject to product availability and valid for purchases made between April 1 – June 30, 2018 by an end-user customer in the United States Federal Government from a participating Xerox Authorized Government Channel Partner. TPRs cannot be combined with any other Xerox offers, special pricing or bid desk unless expressly permitted by Xerox.
