Xerox® VersaLink® B610 Printer and
Xerox® VersaLink® B615 Multifunction Printer

The fast, full-featured and office-friendly VersaLink® B610/B615 is anything but your basic black and white device. In fact, VersaLink® sets a new standard for what you can expect in work group productivity from Xerox. Home or away, this highly configurable, cloud-connected workplace assistant delivers completely new capabilities that go far beyond the competition – at a competitive price.

EASY, SMART AND SECURE.

Right out of the box, you'll count on your VersaLink® B610 or B615 to make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go – hassle free.

Superior reliability comes from a new hardware design with fewer moving parts, strengthened paper-path components, and a more advanced Hi-Q LED print head.

VersaLink® devices are loaded with features designed to reduce inefficiency. Device management and user training can be done anywhere with the time-saving Remote Control Panel.

The most security-minded businesses and governments choose Xerox. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigourous focus to prevent unauthorised access, detect suspect or malicious behaviour, and protect data and documents.

CUSTOMISABLE, APP-BASED FUNCTIONALITY.

The customisable, capacitive 7-inch colour touchscreen (5-inch on the B610), lets you breeze your way through tasks and functons with mobile-like ease.

Xerox® ConnectKey® Apps, accessed via the extensive Xerox App Gallery, provide expanded functionality — like the optional cloud connectors, which provide secure access to various cloud repositories for easy file printing.

Users on the go get more done in less time with native @printbyXerox support. They simply submit their print job from any email-enabled device. Once at work, they securely log in to @printbyXerox on the VersaLink® device to retreive their job. And with Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to task-specific presets, individualised favourite contacts, and commonly used apps on a personalised home screen.

THE XEROX® EASY ASSIST APP.

This app simplifies installation, monitoring and management of your printer or MFP right from your mobile phone. It provides easy access to self-support services and real-time monitoring of printer performance. And, Xerox® Smart Start Software takes the guess work out of setup by automating the installation of the latest software for your printer or MFP on your computer – all without IT support – allowing you to be up and running quickly.

CLOUD AND MOBILE CONNECTIVITY.

The VersaLink® B610 Printer and VersaLink® B615 Multifunction Printer gives you the freedom to work where and how you want – with access to Google Drive™, Microsoft® OneDrive® and DropBox™, and access to additional options through the Xerox App Gallery.

VersaLink® devices deliver for today's mobile workers with Apple® AirPrint®, Xerox® Print Services plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced colour touchscreen interface. Whether 7-inch (B615) or 5-inch (B610), it's a user experience that sets a higher standard for customisation, personalisation and versatility.
By presenting a familiar "mobile" experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® B610 Printer and VersaLink® B615 Multifunction Printer get more work done, faster.
