Xerox® WorkCentre® 5325/5330/5335 Multifunction Printer
Big performance. Exceptional value.

The WorkCentre 5300 series offers a system to improve efficiency and streamline business processes while ensuring data integrity is never compromised.

Easy Office Efficiency

- **Experience true multitasking.** Perform multiple tasks at once. This advanced capability lets you copy, print, scan or fax even while other jobs are running.

- **Powerful scanning.** Color scanning converts hard copies into digital files for automatic routing and archiving.

- **Walk-up simplicity.** Print from and scan to a USB memory device for faster document delivery when you're not at your computer.

- **Automated workflows.** Fax Forward to Email automatically sends incoming faxes from the device directly to the user's computer email in-box.

- **Stay connected.** Reduce the time and effort spent managing your WorkCentre 5300 series printers with Xerox® Remote Print Services' automated meter reads and supply replenishment.

- **Mobile printing.** Xerox makes mobile printing simpler and more convenient from most mobile devices to any printer, regardless of brand, while keeping your business secure.

Total Peace of Mind

- **Keep your documents safe at all times.** With Secure Print, jobs are stored in a separate queue until the intended recipient chooses which jobs to release for printing.

- **Standard Image Overwrite.** Electronically shred information stored on the printer's hard drive.

- **Maintain information integrity.** Our 256-bit hard disk encryption and overwrite uses the FIPS 140-2 standard to ensure your data stays secure.

Environmental Benefits

- **EA Toner.** Our patented Xerox® EA Toner with low-melt technology achieves minimum fusing temperature at 68˚F—less than conventional toner.

- **LED scanner.** Our LED scanner consumes just one-third the power of traditional Xenon® lamps. You get significant energy savings and brilliant, glossy output—even on ordinary paper.

- **Print drivers.** Our Earth Smart print driver helps reduce paper costs.

- **Quiet operation.** The WorkCentre 5300 produces less noise, letting you keep the device close by for distraction-free convenience.

- **ENERGY STAR® qualified.** The WorkCentre 5300 series meets the stringent ENERGY STAR requirements for energy usage.
